### **Nexus III fully divests from Olab**

Nexus Capital announces that through Nexus Capital Private Equity Fund III, L.P. (“Nexus III” or the “Fund”) has fully divested its position in Diagnósticos de México, Diamex, S.A. de C.V. (“Olab” or the “Company”). Olab is a relevant player in Mexico’s diagnostic healthcare sector offering diagnostic imaging and clinical analysis through a network of 40 branches. The transaction was closed through a sale to a strategic player in the abovementioned sector.

Nexus III invested in Olab when the Company had 22 units (12 regular, 2 mobile and 8 on-site sampling), while today Olab has almost doubled its network, operating 40 units (23 regular, 8 mobile and 9 on-site sampling). In addition, the administration of the Company focused on diversifying its revenues by focusing more in the retail sector as well as in the institutionalization of the Company.

Nexus III invested in four portfolio companies, has already fully exited from two – Crédito Real (BMV:CREAL) and Olab, and remains invested in Grupo Hotelero Santa Fe (BMV:HOTEL) and Harmon Hall. The divestment from Olab represents Nexus Capital’s 11<sup>th</sup> exit from a total of 19 investments in portfolio companies.

Nexus Capital has actively contributed to the private equity industry in Mexico since its inception in 1995 and is the largest independent private equity firm in the country with one of the longest and most successful track records in Latin America.

Nexus Capital is the only Mexican private equity manager that has listed five portfolio companies in the public markets. Nexus I and Nexus II funds have been fully divested and realized achieving superior returns.

Nexus Capital has over US\$500 million available through its fund Nexus Capital VI, and is currently analyzing investment opportunities in mid-sized Mexican companies. Nexus VI’s preferred sectors are specialty retail, financial services, tourism, consumer products, business services, logistics, distribution and warehousing, health and education.
