Comments / Why was the deal innovative? (please include any unusual or interesting features of the deal, and whether it entailed any complex legal work, as well as the name of partner to be quoted where applicable)

Español

Se presentó el desafío de operar en acotados márgenes de tiempo y armonizar las jurisdicciones chilena y peruana en materias tributarias y de gobierno corporativo. Esta inversión implica la continuación del plan de expansión de Vitamina, que recibió inversiones previas de los inversionistas de private equity, Península y LGT Capital Partners.

Inglés

The challenge was to operate within limited timeframes and to harmonize the Chilean and Peruvian jurisdictions for tax and corporate governance purposes. This investment confirms the expansion plan of Vitamina, which previously received investments from the private equity investors Peninsula and LGT Capital Partners.
