

Mexico City, November 25, 2019

Nexxus announces that on November 19, 2019, successfully closed the divestment of Krispy Kreme Mexico, one of the divisions of Taco Holding, a portfolio company of Nexxus, focused on the restaurant industry. Krispy Kreme Mexico was acquired by Krispy Kreme Doughnut Corporation, global owner of the brand.

With this transaction we complete an additional partial cycle of divestment of our portfolio by returning liquidity to our investors. We thank Krispy Kreme Mexico's operating team and investors for the valuable work performed during these years.

Nexxus continues to analyze investments, drive growth of portfolio companies and seek divestment opportunities to return liquidity to its investors.
